at President Lincoln's Cottage

A SCENIC AND HISTORIC SETTING FOR YOUR SPECIAL EVENT

Built in 1842, this Gothic Revival-style mansion became a sanctuary for sitting U.S. Presidents in the 19th century. While in residence, Abraham Lincoln made momentous decisions that defined his presidency—and **where he drafted the Emancipation Proclamation.**

Ideal for both intimate and larger events, this inspiring home features handsome woodwork, marble fireplaces, an inviting veranda, and expansive lawns bordered by impressive trees, including a large Osage Orange and Magnolia. Our different spaces can easily accommodate intimate dinners and corporate meetings, as well as large receptions, staff appreciation field days, and more.

All our event packages include ample free parking, handicap accessibility, and on-site museum staff for cocktail hour. Rental blocks include setup and breakdown time — in most cases resulting in two hours of setup and one hour of breakdown. The Robert H. Smith Visitor Education Center and exhibits will remain open for guests to enjoy at their leisure.

Proceeds from every event help preserve this unique National Monument.
